## OUTRIGGER KIAHUNA PLANTATION

Poipu stretches gracefully along the south shore of Kauai, green and gorgeous in the embrace of the warm sun and cool breezes. It's easy to see why this oasis is the island's most popular resort. No building rises higher than a coconut tree. Sun worshippers lounge on long, smooth scimitars of sand. The Pacific Ocean is a liquid gem the color of the finest turquoise.

Nearby attractions include the National Tropical Botanical Gardens' lovely Lawai and Allerton gardens; Spouting Horn, where fountains of seawater shoot through a lava tube over fifty feet in the air; Prince Kuhio Park, which marks the birthplace of Prince Jonah Kuhio Kalaniana'ole, Hawaii's second territorial delegate to Congress; and historic Koloa town, site of the first sugar plantation in Hawaii.

The Outrigger Kiahuna Plantation's deluxe condominiums nestle beside the sea, in a tranquil setting studded with palms and fragrant plumeria. Paths lead across

sweeping lawns to rare orchid and cactus gardens and a beautiful beach whose calm waters are perfect for swimming and snorkeling.

Each spacious, fully furnished unit opens to a pretty garden or ocean view. Amenities include a private lanai, in-room safe, DVD (movies can be rented at the front desk), ceiling fans and a kitchen equipped with a dishwasher, microwave oven, range,

refrigerator and coffee maker. One-bedroom units sleep up to four people; two-bedroom units sleep up to six.

In addition, Outrigger Kiahuna Plantation guests enjoy daily maid service, complimentary parking, barbecue and picnic facilities, and dining at our two on-property restaurants.

The Kiahuna Swim & Tennis Club features a swimming pool with whirlpool spa and children's area, tennis courts, full-service pro shop and CasaBlanca Restaurant. Enjoy nearby championship golf courses and great shopping at Poipu Shopping Village just a short stroll away. Among the resort services are a tour desk, a beach activity center and a seasonal children's program.

A relaxing haven, the Outrigger Kiahuna Plantation can be the springboard for discovering Kauai — and yourself.
