The recent multi-million renovation has created a fresh new face for Hawaii's long-time favorite hotel. Guest rooms have been renovated in a contemporary décor inspired by Hawaii's land and ocean. The lobby and porte cochere have also been upgraded, along with the swimming pool and sun deck.

The new Jimmy Buffett's at the Beachcomber, located in the upper lobby of the hotel, is a balmy family-friendly restaurant with a festive island-inspired and vintage Hawaiian vibe. A celebration
