

An ocean alive with spirit. Beauty painted in brilliant local colors. Soft breezes carry scents of tropical flowers.

In *wa kahiko*, the "ancient time," Waikiki was a revered place where the most powerful of the Hawaiian gods came together...Pele of the Volcanoes, Kanaloa of the Oceans and Kane of the Living Earth.

At the Outrigger Waikiki, all three are present today. From a privileged location on Waikiki Beach, be inspired by the views of Diamond Head, rejuvenated by the sweeping ocean vistas and connected to the roots of Waikiki's past through our cultural exhibits.

### Outrigger Waikiki on the Beach

At Outrigger Waikiki, your arrival is a celebrated event. You sit in comfort at a handsome koa desk while the host registers your party. Let your eyes wander over the original Polynesian voyaging canoe painting by renown local artist, Herb Kane, and the lobby filled with Hawaiian art and treasures.

Choose from 525 elegantly appointed guest rooms, including deluxe one-bedroom oceanfront suites. Each is a reflection of island hospitality, with photos from Waikiki's past or a graceful hula dancer posed under a lampshade. Although nothing is as distracting as the breath-taking view of Waikiki and the famous beach from your room's lanai.

Outrigger Waikiki's beachfront location puts the best of the resort's appeals within an easy stroll.
