

KEAUHOU BEACH RESORT

A special place where nature and history reside in harmony... where culture is the host.

We welcome you to an enchanting oceanfront setting overlooking ocean tide pools where gentle *honu* (sea turtles) swim; where gardens of fragrant plumeria, colorful heleconia, and native *ulu* (breadfruit), *kukui* (candlenut), and *hala* (pandanus) entice you to explore; and where the *mana*, the spirit of the land, permeates your every step, your every breath.

We invite you to delve into the rich history of the *Keauhou-Kahalu'u* area, long known for its abundant fishing grounds. On the north side of the property, fishing stones known as “*Ku'ula*” stand. Prayers and offerings left at these two stones were thought to bring ancient fishermen good luck and a safe return home. Sacred *heiau* (ancient stone temples) that have been painstakingly restored also dot the hotel grounds, allowing visitors a chance to learn more about the beliefs and practices of the Hawaiian people.

The Cultural Department of Keauhou Beach Resort offers a multitude of opportunities for you to immerse yourself in the history, culture and landscape of the area. Property tours, Hawaiian language classes, ancient Hawaiian games, lessons in *hula 'auana* (modern hula) and *hula kahiko* (ancient hula), lei making, ukulele lessons, arts and craft demonstrations by local *kupuna* (elders), and monthly arts and craft fairs are just some of the regularly scheduled activities for hotel guests. For those guests who wish to experience a deeper connection to the culture, we will also offer *Huaka'i*, a journey through *Keauhou-Kahalu'u* that will take you back in time to experience the activities that actually took place on this land over 500 years ago.

The Keauhou Beach Resort on Hawaii's Big Island invites its guests to "experience a Hawaii once reserved for royalty."
