## LAHAINA'S NEW LANDMARK FOR EXCEPTIONAL COMFORT AND QUALITY

An extensive \$30 million Maui makeover has turned the Outrigger Aina Nalu into Lahaina's premier condominium resort. Hawaiian-style elegance and an intimate atmosphere create a unique ambiance for these exquisitely furnished two-bedroom, one-bedroom and studio condominiums with a low-rise, two-story plantation-style design.

Resting on nine tropical acres at the foot of the West Maui Mountains, Outrigger Aina Nalu is just a short stroll from historic Front Street. Our prime location puts you close to Lahaina's wealth of distinctive shopping, art galleries and award-winning dining.

New and spacious accommodations, two resort swimming pools, pool pavilion, and high-speed internet access make Aina Nalu the ideal destination for vacationers and business travelers alike.
