OUTRIGGER PALMS AT WAILEA

Discriminating travelers know Wailea as the master-planned luxury resort on Maui's southern coast. Built around a sun-splashed coastline studded with gorgeous beaches, its name translates as the "waters of Lea." Legend explains how two

landmarks in the area were formed. Long ago, Pele, the goddess of volcanoes, fell in love with a handsome mortal named Lohiau. But Lohiau's heart belonged to a *mo'o* (lizard),

whom he took as his wife. Enraged, Pele cut the *mo'o* in half. Her tail became Molokini, a crescent-shaped islet that floats off Wailea, and her head became Puu Olai, a 360-foot-high hill.

Outrigger Palms at Wailea epitomizes the beauty and romance of Wailea. Elegantly furnished one- and two-bedroom condominium units each offer a private lanai, two full baths, washer/dryer, cable TV with DVD, and a modern kitchen equipped with a dishwasher, coffee maker, microwave oven, range and refrigerator.

As a guest of Outrigger Palms at Wailea, you'll receive preferred rates at Wailea's three championship golf courses. Love the ocean? Wailea Beach, just a short stroll away,

is ideal for swimming, kayaking, windsurfing and snorkeling.
