

OUTRIGGER[®]

ON THE LAGOON • FIJI

Bula!

Welcome to Outrigger on the Lagoon • Fiji

Gracing the edge of a protected ocean lagoon in the heart of Fiji's Coral Coast, this stunning resort is inspired by authentic Fijian village design and delivers Five Star facilities and service. Our Five Star rating combines with the warmth of genuine Fijian friendliness and hospitality.

Where traditional Fijian village meets five star luxury

Genuine Fijian feel and five star refinement

The resort offers a unique range of accommodation styles and is set on the water's edge, amongst tall palms, fragrant gardens, meandering waterways and with views to the fringing outer reef.

An infusion of traditional Fijian design welcomes guests in all 254 hotel rooms, suites and *bure* bungalows. Design elements combining local timbers, hand painted traditional *tapa* ceilings, grass thatched roofs and local Fijian artwork complement the official AAA Five Star accreditation.

Relax on your private balcony or *bure* terrace whilst overlooking the lush tropical resort gardens or views over the lagoon.

The taste of the Pacific

The resort's eight restaurants, cafes and bars are dedicated to delivering excellence in service and cuisine alternatives, adding variety to your Fiji holiday experience. Modern Fijian cuisine, fused with Western and Asian influences ensures a varied and exciting culinary journey.

Our award winning cuisine is complemented by gourmet coffee, creative cocktails and an extensive international wine and beverage list.

Heavenly escape for mind, body and soul

Located high on a mountain ridge above the resort, *Bebe Spa* is a sanctuary offering breathtaking views of the azure waters of the South Pacific ocean.

Bebe, Fijian for butterfly, combines the latest in spa and relaxation technology. Signature treatments using both indigenous and internationally sourced products are designed to nurture the body and soothe the soul.

Within the *Bebe Spa* sanctuary lies *Bure ni Loloma*, a unique wedding chapel offering newlyweds stunning views from hilltop mountains to the waters and fringing reefs beyond the resort.

A place of beauty, serenity, relaxation and indulgence, *Bebe Spa* is a “must do” Fiji experience.

Experience the Talai Touch

Guests staying in our *Bures*, Suites and Deluxe Ocean View rooms will enjoy the personalised services of our *Talai* butlers. Our *Talai* deliver an added dimension and level of refinement to your holiday experience.

Your *Talai* will personally welcome you to the resort, offer to unpack your bags, organise dinners and tours, and provide complimentary champagne and canapés each night. The experience of the *Talai* Touch is exclusive to Outrigger on the Lagoon • Fiji guests.

Just for the kids

The Fijians' love of children is legendary. A natural ability to care for children is inherent in their culture which ensures a memorable holiday for younger guests.

Coordinated adventures and games with a distinct Fijian flavour run daily in the Kids' Clubs. Complimentary child minding is available during breakfast and our unique *Meimei* nanny service, provides fun and safe care throughout the day and into the evening.

Named for the Fijian meaning "to care for", *Meimei* is a nanny service that offers parents some precious time to re-connect, while introducing children to the beauty of the Fijian culture. All of our *Meimei*'s are fully child care trained and accredited.

A private tropical playground

In addition to a wonderful lagoon style swimming pool, guests can take advantage of tennis courts, a 24 hour fitness centre and golf training facilities, including a driving range. Water sports activities include snorkelling, kayaking and scuba diving.

Our Activities Team provides a wide range of recreational and cultural activities daily. Be it basket weaving, story telling, a *Kava* ceremony, fire walking or a fun volleyball game - Outrigger on the Lagoon • Fiji is your private tropical playground.

The Coral Coast serves up action

Located in the heart of the Coral Coast, the resort is ideally situated to experience the thrills of Fiji's "adventure playground".

From deep sea fishing to exploring iconic Fijian surf breaks or combining the adrenalin rush and cultural experiences of a jet boat safari up the mighty Sigatoka River, there is no shortage of adventure pursuits on the Coral Coast.

Explore the massive heritage listed Sigatoka Sand Dunes, first settled more than 3,000 years ago, visit vast natural caves and ancient forts and come "face to face" with the local wildlife at Kula Eco Park.

Culture seeker, adrenalin junkie or nature lover - the Coral Coast has an activity for everyone.
